FYI on timing for ORD's draft particulate matter Integrated science assessment. ORD welcomes our suggestions on charge questions to guide CASAC's review but **Deliberative Process / Ex. 5** memo. They are also planning to brief the Acting Administrator on the ISA although it sounds like the timing may be after release of the draft. Thanks!

Hi- attached is a desk statement and Q/A for the PM ISA that should be released soon. It is pending ORD immediate office approval (and is with David Dunlap now).

We will keep you posted on timing.
